Contributions to RPAC are not deductible for federal income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS or any of its state or local associations will not favor or disfavor any members because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C.441a. After the state RPAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.

Contributions to the National Association of REALTORS® Political Advocacy Fund are not tax deductible. The Political Advocacy Fund is used for various Federal political purposes for which corporate funds may be used such as communicating with members regarding Federal elections, administering and promoting RPAC, and engaging in certain other grassroots advocacy efforts. Until your state PAC reaches its RPAC goal, 30% of each corporate contribution received is sent to NAR Political Advocacy Fund. After the state RPAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.
